

# VOLUNTEER OPPORTUNITIES FOR COLLEGE STUDENTS AVAILABLE AT PCRMC

Are you a local college student looking for volunteer opportunities this spring?

Help the Phelps County Regional Medical Center (PCRMC) Auxiliary and Volunteer Services Department, Nursing Administration Office and Acute Rehabilitation Unit staff provide non-nursing assistance to patients at PCRMC.

## Safe Send-Off

Through the Safe Send-Off College Student Volunteer Program, volunteers will assist PCRMC staff with safely escorting discharged patients from their room to their ride home. Volunteers will be trained on proper wheelchair procedures.

Three-hour volunteer shifts need to be filled from 1:00 - 4:00 PM and 4:00 - 7:00 PM Monday through Friday. There is a 1:00 - 4:00 PM shift on the weekends.

## Acute Rehab

Through the Acute Rehab College Student Volunteer Program, students will help staff with activities for patients, such as music, games, crafts and movies. Student volunteers also may spend time talking with and reading to patients or assisting staff with non-nursing errands and duties.

Three-hour volunteer shifts need to be filled from 4:30 - 7:30 PM, seven days a week.
